

Australia's Biggest Week in Biotech

19 - 23 October 2026 | Gold Coast

Queensland
AUSTRALIA

AusBiotech 

AusBiotech aligning its three flagship conferences under one major, signature annual event. Join us for Australia's Biggest Week in Biotech.

In October 2026, the AusBiotech International Conference, AusBiotech AusMedtech Conference, and AusBiotech Invest will form a connected experience, with keynotes, panels, an exhibition, networking, satellite events, site tours and 11 appointments, delivered across one big week.

Australia's Biggest Week in Biotech, from 19–23 October, will create even more opportunities for collaboration, cross-sector learning, partnering, investment, and connection across Australia's life sciences ecosystem. Join us on Queensland's Gold Coast for an unprecedented week of discovery, supported by Host State Partner, the Queensland Government.

Delegates move across the AusBiotech International Conference and AusMedtech Conference with a single registration and one common partnering platform.

AusBiotech Invest brings together companies and capital in a dedicated investment forum.

AusBiotech 
**International
Conference**

Australia's largest biotechnology conference, connecting local expertise with Australian and international partners to accelerate innovation. The 2025 event saw the largest-ever international delegation, from over 23 countries, almost 20% of total attendees. To be held at the Gold Coast Convention & Exhibition Centre, from 21 to 23 October, 2026

AusBiotech 
**AusMedtech
Conference**

AusMedtech is Australia's leading medical technology conference for the first time will be part of Australia's Biggest Week in Biotech this October. Bringing together innovators, researchers, clinicians, investors, service providers, and policy makers to explore opportunities and challenges shaping the future of medical technology. To be held at the Gold Coast Convention & Exhibition Centre, Queensland, from 21 to 22 October, 2026.

AusBiotech 
Invest

Australia's premier life sciences investment event, AusBiotech Invest moves beyond standard pitch formats to create commercially relevant engagement. For investors, it provides access to emerging opportunities, sector intelligence, and to those preparing for their next phase of growth. For companies, it creates a more informed and strategic pathway to investor engagement. To be held on the Gold Coast, 20 October, 2026.

Global Connections Program

**Brisbane & Gold Coast
19 & 20 October 2026**

Join international industry leaders, investors and innovators for a curated two-day program as part of Australia's Biggest Week in Biotech, October 19 to 23, 2026.

Designed specifically for international delegates, the Global Connections Program provides a unique introduction to Australia's life sciences ecosystem, investment landscape and partnering opportunities. The program combines strategic market insights, industry engagement, site visits and high-value networking experiences to help international organisations explore how to successfully enter, partner and grow within Australia's life sciences sector.

Delegates are encouraged to fly into Brisbane ahead of the program, with coordinated transfers from Brisbane to the Gold Coast included as part of the experience. From world-leading clinical trial capabilities and innovation precincts to investment opportunities and strategic partnerships, delegates will gain practical insights into navigating the Australian market while building meaningful connections across the ecosystem.

Program Highlights

- Insights into how to 'Enter and Succeed in Australia'
- Site visits across Brisbane and Gold Coast life sciences precincts
- Curated networking and VIP events with industry, investment and government stakeholders
- Connect with Australian biotech, medtech, pharma, research and investment leaders

Whether you are exploring market expansion, partnerships, licensing opportunities or investment, this program offers a valuable gateway into Australia's rapidly growing life sciences ecosystem.

The program will conclude in the Gold Coast in time for delegates to attend the AusBiotech International Conference 2026 (21-23 October), as part of Australia's Biggest Week in Biotech.
